

15 Creative Drawing Prompts for Kids

1. Draw a cat wearing a superhero cape!
2. Design your dream treehouse—what does it look like?
3. Create a brand-new type of candy! What flavors does it have?
4. Draw a silly monster with five eyes and three legs!
5. Sketch yourself as a pirate sailing the sea!
6. Invent a new planet—what creatures live there?
7. Design a magical flying car—what powers does it have?
8. Draw an underwater castle for mermaids and sea creatures!
9. Create a new outfit for a famous cartoon character!
10. Illustrate a giant ice cream mountain—what flavors are on top?
11. Draw a robot that helps with homework—what buttons does it have?
12. Sketch a jungle full of the most unusual animals!
13. Design a spaceship for an astronaut to explore Mars!
14. Create a comic strip about a day in the life of your pet!
15. Draw a magic door—where does it lead?
