How to Print & Use Your Bookmarks

1. **Print:** Use standard 8.5x11" paper or cardstock for better durability. Choose color print for best results.
2. **Cut:** Carefully cut along the edges of each bookmark using scissors or a paper trimmer.
3. **Laminate (Optional):** For extra durability, laminate the bookmarks before cutting or use self-adhesive laminating sheets.
4. **Enjoy:** Use them in your favorite books, notebooks, or planners!
